SHRAVAN THEEGALA

FULL STACK DEVELOPER

+919390328553

theegalashravan098@gmail.com

15-2-151/1, Rangampet, Warangal

SUMMARY

As a Full Stack Developer, I have significantly contributed to two major projects, utilizing my expertise in HTML, CSS, JavaScript, and PHP. My experience as a Backend Developer includes work on three notable projects, demonstrating my proficiency in backend technologies. Additionally, serving as a Class Representative has enhanced my organizational and communication skills, allowing me to effectively coordinate and lead group efforts.
